

The distribution of this design should involve no exchange of funds EXCEPT where the sole beneficiary is a registered, charitable organization involved with the World Trade Centre and Pentagon relief efforts.

This is NOT a 'freebie' design in the traditional sense... If you choose to print, distribute or use it, please make a donation (of any kind or amount) to your local Red Cross, the International Red Cross or one of the many registered benefit funds which have been established in support of the World Trade Centre and Pentagon relief efforts.

*Thank you,*
